

Nightstop Open Evening

Wednesday 15th May

7:30pm – 9:00pm

BYHP, 2 Chandos Close, Banbury, OX164TL

BYHP Nightstop will provide vulnerable young people aged 16-25 with a place to stay for the night in the home of a volunteer 'host', where they can have space to breathe in a safe and friendly environment.

Do you want to support young people who are homeless?
Do you have a spare room, or even just some spare time?
Just want to know more about Nightstop?

We are looking for volunteer **hosts**, **drivers** and **co-ordinators** who want to help young people find a **safe place to sleep**.

For more information please contact BYHP on:
